The Villa, arranged on 3 levels, is surrounded by an exclusive park of approximately 800 m2.

On the ground floor there are halls with ancient fireplaces and access to the beautiful and panoramic loggia, an ancient cellar, as well as the kitchens and technical and functional rooms.

It presents fine and refined environments, with careful details, common areas and ancient fireplaces and well-kept terracotta and teak floors; it enjoys excellent brightness, and has 12 large double bedrooms furnished in typical Tuscan style, equipped with every comfort (fridge bar, air conditioning, complete bathroom).

Finally, the beautiful swimming pool with a suggestive view of the valley offers unique moments, an ancient church belonging to the original convent (ideal for celebrating weddings, etc.), and an ancient house for the caretaker.

Parking for cars inside the property.

Only 15/20 minutes away from Lucca, it represents a valuable location to enjoy the city while remaining in a privileged context of absolute privacy.
