Renovated apartment for sale in the center of Lucca – bright, quiet and ready to move into
In the heart of Lucca's historic center, just steps from Piazza San Michele, we offer for sale a refined, renovated apartment on the third and top floor of a 17th-century building.
The recent renovation has enhanced every detail, with parquet flooring in every room, independent air conditioning in every room, high-quality finishes, and a functional and harmonious layout.
The entrance leads to a welcoming hallway that opens onto a large living room, an eat-in kitchen, three bedrooms (one with a small balcony), two bathrooms, a closet and a convenient laundry room.
Upstairs is a spacious attic of over 50 square meters, an extremely versatile additional space, ideal as a study, relaxation area or hobby space.
The central yet private location, the excellent brightness, and the quality of the renovation make this home ideal for both a family wishing to live in the heart of the city and an international investor seeking an exclusive property to live in or rent.
